

EMERGENCY FIRST AID AT WORK

MAX NO. OF DELEGATES:

12

ACCREDITATION:

HIGHFIELD

DURATION:

1 DAY

WHO SHOULD ATTEND

This qualification is aimed at learners who wish to become emergency first-aiders in the workplace. This qualification meets the requirements for training emergency first-aiders in those organisations that have identified that staff need to be trained to this level within their first-aid needs assessment.

The qualification covers knowledge such as the roles and responsibilities of the first aider and how to assess an incident. The qualification also covers first aid skills in CPR and use of an AED, providing first aid to a casualty who is choking and dealing with external bleeding and hypovolaemic shock

COURSE AIM

The aim of the course is for candidates to become competent first aiders, through practical and theory based training.

TRAINING METHODS

This qualification is assessed by a practical demonstration and a multiple-choice theory test.

COURSE CONTENT

- First Aid priorities
- Managing incidents
- Basic life support
- Examination of a casualty
- Unconsciousness
- Control of bleeding
- Burns and scalds
- Regulations
- First Aid kits
- Recording and reporting

ADDITIONAL INFO

Good understanding of English and communication is required.
